
STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. The Global Offering comprises:

- (i) the Hong Kong Public Offering of 75,000,000 Offer Shares (subject to reallocation) in Hong Kong as described in the section headed “The Hong Kong Public Offering” below; and
- (ii) the International Offering of an aggregate of initially 675,000,000 Shares (subject to reallocation and the Over-allotment Option), (a) in the United States to QIBs in reliance on Rule 144A or another available exemption; and (b) outside the United States in reliance on Regulation S (including to professional and institutional investors in Hong Kong).

Investors may apply for Offer Shares under the Hong Kong Public Offering or apply for or indicate an interest, if qualified to do so, for International Offering Shares under the International Offering, but may not do both. The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors in Hong Kong. The International Offering will involve selective marketing of the International Offering Shares to institutional and professional investors and other investors expected to have a sizable demand for the International Offering Shares in Hong Kong and other jurisdictions outside the United States in accordance with Regulation S or in the United States to QIBs in reliance on Rule 144A or another available exemption. The International Underwriters are soliciting from prospective investors indications of interest in acquiring the International Offering Shares. Prospective investors will be required to specify the number of International Offering Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price.

The number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering may be subject to reallocation as described in the paragraph headed “— The Hong Kong Public Offering — Reallocation” in this section, and in the case of the International Offering only, the Over-allotment Option as described in the paragraph headed “— The International Offering — Over-allotment Option” in this section.

THE HONG KONG PUBLIC OFFERING

Number of Offer Shares initially offered

Our Company is initially offering 75,000,000 Offer Shares for subscription by the public in Hong Kong at the Offer Price, representing 10% of the total number of Offer Shares initially available under the Global Offering. Subject to the reallocation of Shares between (i) the International Offering; and (ii) the Hong Kong Public Offering, the Hong Kong Public Offer Shares will represent approximately 2.5% of our Company’s enlarged issued share capital immediately after completion of the Global Offering.

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities.

Completion of the Hong Kong Public Offering is subject to the conditions as set out in the paragraph headed “— Hong Kong Underwriting Agreement — Conditions of the Hong Kong Public Offering” in this section.

Allocation

Allocation of Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Public Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than

STRUCTURE OF THE GLOBAL OFFERING

others who have applied for the same number of Hong Kong Public Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Public Offer Shares.

The total number of Offer Shares initially available under the Hong Kong Public Offering (after taking account of any reallocation referred to below) is to be divided into two pools for allocation purposes:

- Pool A: The Offer Shares in pool A will be allocated on an equitable basis to applicants who have applied for Offer Shares with an aggregate price of HK\$5 million (excluding the brokerage, SFC transaction levy and Stock Exchange trading fee payable) or less.
- Pool B: The Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for Offer Shares with an aggregate price of more than HK\$5 million (excluding the brokerage, SFC transaction levy and Stock Exchange trading fee payable) and up to the total value in pool B.

Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If Offer Shares in one (but not both) of the pools are undersubscribed, the surplus Offer Shares will be transferred to the other pool to satisfy demand in this other pool and be allocated accordingly. For the purpose of this paragraph only, the “price” for Offer Shares means the price payable on application therefore (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Offer Shares from either pool A or pool B but not from both pools. Multiple or suspected multiple applications and any application for more than 37,500,000 Offer Shares being 50% of the 75,000,000 Offer Shares initially available under the Hong Kong Public Offering are liable to be rejected.

Reallocation

Paragraph 4.2 of Practice Note 18 of the Listing Rules requires a clawback mechanism to be put in place which would have the effect of increasing the number of Offer Shares under the Hong Kong Public Offering to a certain percentage of the total number of Offer Shares offered under the Global Offering if certain prescribed total demand levels are reached as further described below:

- If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 15 times or more but less than 50 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 225,000,000 Offer Shares, representing 30% of the Offer Shares initially available under the Global Offering.
- If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 50 times or more but less than 100 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 300,000,000 Offer Shares, representing 40% of the Offer Shares initially available under the Global Offering.
- If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 100 times or more the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 375,000,000 Offer Shares, representing 50% of the Offer Shares initially available under the Global Offering.

In addition, the Joint Global Coordinators may allocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

STRUCTURE OF THE GLOBAL OFFERING

The Offer Shares to be offered in the Hong Kong Public Offering and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Global Coordinators. If either the Hong Kong Public Offering or the International Offering is not fully subscribed, the Joint Global Coordinators have the authority to reallocate any or all unsubscribed Offer Shares from such offering to the other, in such proportions as the Joint Global Coordinators deem appropriate.

Applications

Each applicant under the Hong Kong Public Offering will be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application have not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any Offer Shares under the International Offering, and such applicant's application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or if he has been or will be placed or allocated Offer Shares under the International Offering.

Our Company, our Directors and the Hong Kong Public Offer Underwriters will take reasonable steps to identify and reject applications under the Hong Kong Public Offering from investors who have received Shares in the International Offering and to identify and reject indications of interest in the International Offering from investors who have received Shares in the Hong Kong Public Offering.

The listing of the Offer Shares on the Stock Exchange is sponsored by the Sole Sponsor. Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum price of HK\$2.54 per Offer Share in addition to any brokerage, SFC transaction levy and Stock Exchange trading fee payable on each Offer Share. If the Offer Price, as finally determined in the manner described in the paragraph headed “— Pricing of the Global Offering” in this section, is less than the maximum price of HK\$2.54 per Offer Share, appropriate refund payments (including the brokerage, SFC transaction levy and Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out in the section headed “How to Apply for Hong Kong Public Offer Shares” in this prospectus.

References in this prospectus to applications, Application Forms, application monies or the procedure for application relate solely to the Hong Kong Public Offering.

THE INTERNATIONAL OFFERING

Number of Offer Shares offered

Subject to reallocation as described above, the International Offering will consist of 675,000,000 Offer Shares, assuming the Over-allotment Option is not exercised, representing 90% of the total number of Shares initially available under the Global Offering.

Allocation

The International Offering will include selective marketing of Offer Shares to institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Allocation of Offer Shares pursuant to the International Offering will be effected in accordance with the “book-building” process described in the paragraph headed “— Pricing of the Global Offering” in this section and based on a number of factors, including the level and timing of demand, the total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Offer Shares, and/or hold or sell its Offer Shares, after the listing of the Offer Shares on the Stock Exchange. Such allocation is intended to result in a distribution of the Offer Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of our Company and our Shareholders as a whole.

STRUCTURE OF THE GLOBAL OFFERING

The Joint Global Coordinators (for themselves and on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the International Offering, and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Joint Global Coordinators so as to allow them to identify the relevant application under the Hong Kong Public Offering and to ensure that it is excluded from any application of Offer Shares under the Hong Kong Public Offering.

Reallocation

The total number of Offer Shares to be issued or sold pursuant to the International Offering may change as a result of the clawback arrangement described in the paragraph headed “— The Hong Kong Public Offering — Reallocation” in this section, the exercise of the Over-allotment Option in whole or in part described in the paragraph headed “— The International Offering — Over-allotment Option” in this section, and any reallocation of unsubscribed Offer Shares originally included in the Hong Kong Public Offering and/or any Offer Shares from the International Offering to the Hong Kong Public Offering at the discretion of the Joint Global Coordinators.

Over-allotment Option

It is expected that the Over-allotment Option Grantor will grant the Over-allotment Option to the International Underwriters, exercisable by the Stabilisation Manager on behalf of the International Underwriters and in consultation with the Joint Global Coordinators at any time within 30 days from the last date for lodging applications under the Hong Kong Public Offering. Under the Over-allotment Option, the Stabilisation Manager or its agent will have the right to require the Over-allotment Option Grantor to sell up to an aggregate of 112,500,000 additional existing Shares, representing 15% of the Offer Shares initially available under the Global Offering to, among other things, cover over-allocations in the International Offering, if any. If the Over-allotment Option is exercised in full, the additional Offer Shares will represent approximately 3.75% of our enlarged issued share capital following the completion of the Global Offering (assuming that the options granted under the Pre-IPO Share Option Scheme are not exercised and that no Shares are granted under the Share Award Scheme). These Offer Shares will be issued at the Offer Price. An announcement will be made if the Over-allotment Option is exercised.

Stock Borrowing Arrangement

To facilitate the settlement of over-allocations in connection with the Global Offering, the Stabilisation Manager may choose to borrow, whether on its own or through its affiliates, up to 112,500,000 Offer Shares, representing 15% of the Offer Shares (being the maximum number of Offer Shares which may be sold upon exercise of the Over-allotment Option), from the Over-allotment Option Grantor to cover over-allocations through the stock borrowing arrangement under the Stock Borrowing Agreement, or acquire Shares from other sources, including by exercising the Over-allotment Option.

If the Stock Borrowing Agreement is entered into, it will only be effected by the Stabilisation Manager or its agent for settlement of over-allocations in the International Offering, and the stock borrowing arrangement is not subject to the restrictions of Rule 10.07(1)(a) of the Listing Rules provided that the requirements set out in Rule 10.07(3) of the Listing Rules are complied with. The same number of Offer Shares so borrowed must be returned to the Over-allotment Option Grantor or its nominees on or before the third business day following the earlier of (a) the last day on which the Over-allotment Option may be exercised or (b) the day on which the Over-allotment Option is exercised in full and the relevant Offer Shares subject to the Over-allotment Option have been sold. The stock borrowing arrangement will be effected in compliance with all applicable laws, rules, and regulatory requirements. No payment will be made to the Over-allotment Option Grantor by the Stabilisation Manager or its agent in relation to such stock borrowing arrangement.

STRUCTURE OF THE GLOBAL OFFERING

PRICING OF THE GLOBAL OFFERING

Determining the Offer Price

The International Underwriters will be soliciting from prospective investors indications of interest in acquiring Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building”, is expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or around Tuesday, 21 February 2017 and in any event no later than Monday, 27 February 2017, by agreement between the Joint Global Coordinators (for themselves and on behalf of the Underwriters) and our Company (for itself and on behalf of the Over-allotment Option Grantor) and the number of Offer Shares to be allocated under various offerings will be determined shortly thereafter.

Offer Price range

The Offer Price will not be more than HK\$2.54 per Offer Share and is expected to be not less than HK\$1.98 per Offer Share unless otherwise announced, as further explained below, not later than the morning of the last day for lodging applications under the Hong Kong Public Offering. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.

Reduction in indicative Offer Price range and/or number of Offer Shares

The Joint Global Coordinators (for themselves and on behalf of the Underwriters) may, where considered appropriate, based on the level of interest expressed by prospective professional and institutional investors during the book-building process, and with the consent of our Company, reduce the number of Offer Shares offered in the Global Offering and/or the indicative Offer Price range below that stated in this prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, our Company will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the day which is the last day for lodging applications under the Hong Kong Public Offering, cause there to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and to be posted on the website of the Stock Exchange (www.hkexnews.hk) and on the website of our Company (www.yuhuachina.com) notices of the reduction. Upon issue of such a notice, the number of Offer Shares offered in the Global Offering and/or the revised Offer Price range will be final and conclusive and the Offer Price, if agreed upon by the Joint Global Coordinators (for themselves and on behalf of the Underwriters) and our Company (for itself and on behalf of the Over-allotment Option Grantor), will be fixed within such revised Offer Price range.

Applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. Such notice will also include confirmation or revision, as appropriate, of the Global Offering statistics as currently set out in this prospectus, and any other financial information which may change as a result of such reduction. In the absence of any such notice so published, the Offer Price, if agreed upon with our Company (for itself and on behalf of the Over-allotment Option Grantor) and the Joint Global Coordinators (for themselves and on behalf of the Underwriters), will under no circumstances be set outside the Offer Price range as stated in this prospectus.

In the event of a reduction in the number of Offer Shares being offered under the Global Offering, the Joint Global Coordinators may, at its discretion, reallocate the number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering, provided that the number of Shares comprised in the

STRUCTURE OF THE GLOBAL OFFERING

Hong Kong Public Offering shall not be less than 10% of the total number of Offer Shares in the Global Offering. The Offer Shares to be offered in the International Offering and the Offer Shares to be offered in the Hong Kong Public Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Global Coordinators. The net proceeds of the Global Offering accruing to our Company (after deduction of underwriting commissions including discretionary incentive fee, brokerage, SFC transaction levy, Stock Exchange trading fees and other expenses paid and payable by our Company in relation to the Global Offering) are estimated to be approximately HK\$1,405.4 million, assuming an Offer Price per Share of HK\$1.98, or approximately HK\$1,811.5 million, assuming an Offer Price per Share of HK\$2.54.

Announcement of Offer Price and basis of allocations

The final Offer Price, the indications of interest in the Global Offering, the results of applications and the basis of allotment of Offer Shares available under the Hong Kong Public Offering, are expected to be announced on Monday, 27 February 2017 in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and to be posted on the website of the Stock Exchange (www.hkexnews.hk) and on the website of our Company (www.yuhuachina.com).

HONG KONG UNDERWRITING AGREEMENT

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms of the Hong Kong Underwriting Agreement and is conditional upon the International Underwriting Agreement being signed and becoming unconditional.

Our Company expects to enter into the International Underwriting Agreement relating to the International Offering on or around the Price Determination Date. These underwriting arrangements, and the respective Underwriting Agreements, are summarised in the section headed “Underwriting” in this prospectus.

Conditions of the Hong Kong Public Offering

Acceptance of all applications for Offer Shares will be conditional on:

- (i) the Listing Committee of the Stock Exchange granting listing of, and permission to deal in, the Offer Shares being offered pursuant to the Global Offering (including the additional Offer Shares which may be sold pursuant to the exercise of the Over-allotment Option);
- (ii) the Offer Price having been fixed on or around the Price Determination Date;
- (iii) the execution and delivery of the International Underwriting Agreement on or around the Price Determination Date; and
- (iv) the obligations of the Underwriters under each of the respective Underwriting Agreements becoming and remaining unconditional and not having been terminated in accordance with the terms of the respective agreements, in each case on or before the dates and times specified in the Hong Kong Underwriting Agreement or the International Underwriting Agreement (unless and to the extent such conditions are validly waived on or before such dates and times).

If, for any reason, the Offer Price is not agreed between our Company (for itself and on behalf of the Over-allotment Option Grantor) and the Joint Global Coordinators (for themselves and on behalf of the Underwriters), on or around 5:00 p.m. on Monday, 27 February 2017, the Global Offering will not proceed and will lapse.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other offering becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public

STRUCTURE OF THE GLOBAL OFFERING

Offering will be published by our Company in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set out in the section headed “How to Apply for Hong Kong Public Offer Shares” in this prospectus. In the meantime, all application monies will be held in (a) separate bank account(s) with the receiving banker or other licensed bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

Share certificates for the Offer Shares are expected to be issued on Monday, 27 February 2017 but will only become valid certificates of title at 8:00 a.m. on Tuesday, 28 February 2017 provided that (i) the Global Offering has become unconditional in all respects and (ii) neither of the Underwriting Agreements has been terminated in accordance with its terms.

STABILISATION

Stabilisation is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilise, the underwriters may bid for, or purchase, the securities in the secondary market, during a specified period of time, to retard and, if possible, prevent, any decline in the market price of the securities below the offer price. In Hong Kong and certain other jurisdictions, the price at which stabilisation is effected is not permitted to exceed the offer price.

In connection with the Global Offering, CLSA Limited, as Stabilisation Manager, its affiliates or any person acting for it, on behalf of the Underwriters, may over-allocate Shares or effect short sales or any other stabilising transactions with a view to stabilising or maintaining the market price of our Shares at a level higher than that which might otherwise prevail in the open market. Short sales involve the sale by the Stabilisation Manager of a greater number of Shares than the Underwriters are required to purchase in the Global Offering. “Covered” short sales are sales made in an amount not greater than the Over-allotment Option.

The Stabilisation Manager may close out any covered short position by either exercising the Over-allotment Option to purchase additional Shares or purchasing Shares in the open market. In determining the source of the Shares to close out the covered short position, the Stabilisation Manager will consider, among other things, the price of Shares in the open market as compared to the price at which they may purchase additional Shares pursuant to the Over-allotment Option. Stabilising transactions consist of certain bids or purchases made for the purpose of preventing or retarding a decline in the market price of the Shares while the Global Offering is in progress. Any market purchases of our Shares may be effected on any stock exchange, including the Stock Exchange, any over-the-counter market or otherwise, provided that they are made in compliance with all applicable laws and regulatory requirements. However, there is no obligation on the Stabilisation Manager, its affiliates or any person acting for it to conduct any such stabilising activity, which, if commenced, will be done at the absolute discretion of the Stabilisation Manager and may be discontinued at any time. Any such stabilising activity is required to be brought to an end within 30 days of the last day for lodging applications under the Hong Kong Public Offering. The number of our Shares that may be over-allocated will not exceed the number of our Shares that may be sold under the Over-allotment Option, namely, 112,500,000 Shares, which is 15% of the number of Offer Shares initially available under the Global Offering, in the event that the whole or part of the Over-allotment Option is exercised.

The Stabilisation Manager, its affiliates or any person acting for it may take all or any of the following stabilising actions in Hong Kong during the Stabilisation period:

- (i) purchase, or agree to purchase, any of the Shares or offer or attempt to do so for the sole purpose of preventing or minimising any reduction in the market price of the Shares;
- (ii) in connection with any action described in paragraph (i) above:
 - (A) (1) over-allocate the Shares; or

STRUCTURE OF THE GLOBAL OFFERING

- (2) sell or agree to sell the Shares so as to establish a short position in them, for the sole purpose of preventing or minimising any reduction in the market price of the Shares;
- (B) exercise the Over-allotment Option and purchase or subscribe for or agree to purchase or subscribe for the Shares in order to close out any position established under paragraph (A) above;
- (C) sell or agree to sell any of the Shares acquired by it in the course of the stabilising action referred to in paragraph (i) above in order to liquidate any position that has been established by such action; or
- (D) offer or attempt to do anything as described in paragraph (ii)(A)(2), (ii)(B), or (ii)(C) above.

The Stabilisation Manager, its affiliates or any person acting for it, may, in connection with the stabilising action, maintain a long position in the Shares, and there is no certainty as to the extent to which and the time period for which it will maintain such a position. Investors should be warned of the possible impact of any liquidation of the long position by the Stabilisation Manager, its affiliates or any person acting for them, which may include a decline in the market price of the Shares.

Stabilisation cannot be used to support the price of the Shares for longer than the Stabilisation period, which begins on the Listing Date and ends on the 30th day after the last day for lodging applications under the Hong Kong Public Offering. The stabilising period is expected to end on 23 March 2017, after which an announcement will be made pursuant to the Securities and Futures (Price Stabilising) Rules (Cap. 571W of the Laws of Hong Kong) made under the SFO. After this date, no further stabilising action may be taken, and demand for the Shares, and therefore the market price, could fall.

Any stabilising action taken by the Stabilisation Manager, its affiliates or any person acting for it, may not necessarily result in the market price of our Shares staying at or above the Offer Price either during or after the stabilising period. Stabilising bids for or market purchases of our Shares by the Stabilisation Manager, or any person acting for it, may be made at a price at or below the Offer Price and therefore at or below the price paid for our Shares by purchasers.

SHARES WILL BE ELIGIBLE FOR CCASS

All necessary arrangements have been made enabling the Shares to be admitted into CCASS. If the Stock Exchange grants the listing of, and permission to deal in, our Shares and our Company complies with the stock admission requirements of HKSCC, our Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the date of commencement of dealings in the Shares on the Stock Exchange or any other date HKSCC chooses. Settlement of transactions between participants of the Stock Exchange is required to take place in CCASS on the second business day after any trading day.

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

DEALING ARRANGEMENTS

Our Shares will be traded in board lots of 2,000 Shares each. The stock code of the Shares is 6169.
